EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with John Schaefer on December 5, 2005.

The application has been amended as follows:

4. The desk calendar as claimed in claim 3, wherein the channel has two longitudinal grooves defined in the inner surface of the channel in parallel to each other; and

each divider has two longitudinal ribs formed on [the] an outer edge and corresponding to and sliding respectively in the longitudinal grooves in the inner surface of the channel.

7. The desk calendar as claimed in claim 1, wherein the end blocks, the central block and [the] at least one dividers divider have the same cross section.

8. The desk calendar as claimed in claim 7, wherein the channel has two longitudinal grooves defined in the inner surface of the channel in parallel to each other; and

each divider has two longitudinal ribs formed on [the] an outer edge and corresponding to and sliding respectively in the grooves in the inner surface of the channel.

11. The desk calendar as claimed in claim 1, wherein the channel has two longitudinal grooves defined in the inner surface of the channel in parallel to each other; and

[each] at least one divider has two longitudinal ribs formed on [the] an outer edge and corresponding to and sliding respectively in the longitudinal grooves in the inner surface of the channel.

2. The following is an examiner's statement of reasons for allowance:
the prior art of record does not teach nor suggest a desk calendar comprising a base having a top, rear and two side, a channel having an cross section in the top along the rear of the base and two end, a calendar page binder mounted next to an auxiliary appliance on the top of the base, two end blocks securely mounted in and closing the channel and a central

block having at least one pen hole, wherein the block is mounted in the channel between the end blocks to divide the channel into two spaces..

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Cassandra Davis whose telephone number is 571-272-6642. The examiner can normally be reached on Monday-Friday 8:00-4:30.
